

After you graduate, you decide you do not want to go to college but would like to work full time. How do you find a full time job and what resources are available to help you?

- IWD
- Networking
- VR – if eligible

You have been out of high school for one year and have decided that you want to go to college, you know there is financial assistance somewhere but are unsure where to look. Where do you start to find the assistance you need?

- Financial Aid office at college of choice
- IWD –depending on field of interest
- VR – if eligible
- Community programs and scholarships

You would like training in a hands on field. You are currently 19 year old and you are not sure where to go. What do you do?

- IWD
- Continuing education
- Job Corp
- VR – if eligible

You are job searching and you recently got convicted for theft. The charge is a misdemeanor, as you only stole an item worth less than \$10. How will this affect your job search and how will you handle it?

- Cover letter
- Avoid jobs that would frown upon this

You just started college and you are having trouble keeping up with the homework and reading assignments. In high school you had tests read to you, how do you get assistance with this in high school?

- Disability Services – difference between high school and college
- Tutoring Services
- Talk to teachers

Again you just started college and you feel you are doing well in your classes. It is about half way through the semester and you check your grades online to realize you are failing one of your classes. You talk to the teacher and they inform you that you haven't been completing the online assignments required. How do you handle this?

- Syllabus
- Talk to teacher about how to fix this
